

The Farmington Valley Asperger's Network

Is Moving to Farmington

Beginning January 30th we will be meeting at the Farmington Senior/Community Center, 321 New Britain Ave, Unionville in Farmington. We will continue to meet the last Tuesday in the month unless noted on the calendar. Please check the website (www.favan.org) regularly to see meeting times and other information.

FAVAN is a parent support group that meets monthly. Members are parents or extended family of or professionals working with a child with an Autistic Spectrum Disorder. Some months are open discussion while there is a speaker on other months. We have a lending library that is free to members. E-Newsletters go out about every month.

We are now collecting dues for 2007. We will continue to ask for a \$20 contribution per family per year. This helps pay for refreshments, gifts for speakers, and new books for the lending library. Please fill out the bottom section and send it to:
